Health Self-Assessment

Before departure, please complete a health self-assessment, and be prepared to answer the following questions:

1. Are you experiencing any new or worsening COVID-19 symptoms?
i.e., breathing issues, fever (>38°C) /chills, barking cough, unusual fatigue, loss of smell/taste
2. In the last 10 days, have you been in 'close contact' with someone who has COVID-19? If so, have you tested positive on a rapid antigen test or home self-testing kit?

If you answered 'YES' to any of the above questions, please **call Fehr-Way Tours at 1-800-263-3691** BEFORE the day of departure.

It is also important to note again that should you test positive for COVID-19 while travelling, your participation in the tour will end, and quarantine protocols for that jurisdiction will come into effect at your own expense.

Although we are no longer requesting vaccine confirmation before travel, it is important that guests **always carry proof of vaccination status (PVC for Manitoba residents)**, since this may be requested at different attractions, restaurants, or hotels and when crossing the Canada-U.S. border.

Failure to provide proof of vaccination when requested may result in denied entry to the attraction, and Fehr-Way Tours will not be responsible for guests who fail to provide this documentation.

TRAVEL INSURANCE IS NEVER IMPORTANT UNTIL YOU NEED IT!

Fehr-Way Tours encourages its clients to seriously consider travel insurance. Ultimately it is your decision, but Fehr-Way Tours wants you to make an informed choice on whether to insure your travel.

Thank you for your understanding and cooperation.
